40x40fanguard

This fan guard is perfect fit in size for Noctua 40mm fan.

Required screws:

- 3x M3x14 screws
- 1x M3x25 screw

Print settings:

- Filament: PETG
- Layer height: 0.2mm
- Supports: no
- Perimeters: 2

Be careful not to over-tighten the screws, otherwise the printed parts will be damaged.
